

Village Profile was the FIRST PUBLISHER to host a **CHAMBER SMARTPHONE APP** on the iPhone and Android Platforms

at **NO COST** to Chambers Nationwide with our Publication Programs...

...Now expanded to offer your Chamber a stand alone
CUSTOM CHAMBER APP AT NO COST TO YOUR CHAMBER!

The Village Profile Smartphone App Portal
Features Your Chamber and Publication

With the rise of the second Smart Phone generation, people are using their mobile phones in new and exciting ways. As powerful as most computers, but far more convenient, many people are managing their business and personal lives from their phones.

Reward Current and attract new members with the opportunity to be easily found by Smartphone users through your Custom Chamber APP.

Our exclusive partner, MC Solutions, a frontrunner in the emerging APP market, ensures that your Chamber APP will be visually stunning, fully functional and backed by the best custom service in the industry.

The No Cost Option is exclusively available with a Village Profile Directory, Lifestyle Magazine or Map Program, featuring our Convergence Publishing Program that brings your Members more Chamber benefits and promotional value in Print, Online and Mobile Medias.

Your Custom Designed Chamber APP features:

- Choice of either iPhone or Android platform
- Calendar of Events
- Push Notifications
- Social Media
- Driving Directions to the Chamber
- Chamber Members Listed Alphabetically
- Member Listings: Business Name, Address and click to dial phone feature
- Royalty generating Advertising sold by Village Profile and Development Partner MC Solutions
